GEN ED Electives from the Exploration area	3
Remaining Electives	
Credits taken at SNHU	58
Total Credits in SNHU Bachelor's Degree	120

SNHU accepts up to 90 credits towards a bachelor's degree. Should a student decide to take additional courses at the community college beyond the associate's degree to maximize transfer credits, the above courses are provided as a mapping tool. A 90-credit transfer would leave students with a minimum of 30 credits remaining to complete at SNHU for their BS Health Sciences.
