Application

This guideline applies to the state system of community colleges.

Principle

Designates what degrees CCCS Colleges are approved to offer.

Guideline

The CCCS Colleges are approved to offer one general Associate of Arts (AA) Degree, and one general Associate of Science (AS) Degree. These Degrees have a generic major of Liberal Arts. No designation of an emphasis area or concentration may appear on a transcript or Diploma, other than "Liberal Studies". In addition, the CCCS Colleges are approved to offer and include on transcripts and diplomas various AA and AS Degrees with Designation (Statewide Transfer Articulation Agreements) as listed at <http://highered.colorado.gov/Academics/Transfers/>.
